As compared to one year ago, current year applicants are up 18.5%. As compared to two years ago, current year applicants are up 20.4%.
Notes:

- These data are displayed with reference to the academic year for which applicants are applying. For example, 2021 or 2021-2022 would indicate the applications submitted during 2020-2021 for enrollment in the 2021 or 2021-2022 academic year.
- The Current Volume data tables include applicants for all academic terms. Archived Volume reports for enrollment years 2015 and prior include applicants for the fall term only and are not comparable to more recent volume data.
- ABA data reflect applicants and applications for ABA-approved law schools.
- Deferrals are not included in either the ABA or Canadian data. Deferrals are defined as "applicants admitted for a prior term who were granted a postponed enrollment to the current term."
- Please note as defined in this report, an applicant is a candidate who submits one or more applications for any academic term.
- The data for this report are updated every evening and will reflect current volumes as of that time.
- This report is best viewed in Chrome, Edge, Internet Explorer, or Safari.
- Additional Gender categories became available June, 2018.
