Notes:

• These data are displayed with reference to the academic year for which applicants are applying. For example, 2022 or 2022-2023 would indicate the applications submitted during 2021-2022 for enrollment in the 2022 or 2022-2023 academic year.
• The Current Volume data tables include applicants for all academic terms. Archived Volume reports for enrollment years 2015 and prior include applicants for the fall term only and are not comparable to more recent volume data.
• ABA data reflect applicants and applications for ABA-approved law schools.
• Deferrals are not included in either the ABA or Canadian data. Deferrals are defined as "applicants admitted for a prior term who were granted a postponed enrollment to the current term."
• Please note as defined in this report, an applicant is a candidate who submits one or more applications for any academic term.
• The data for this report are updated every evening and will reflect current volumes as of that time.
• This report is best viewed in Chrome, Edge, Internet Explorer, or Safari.
• Additional Gender categories became available June, 2018.
FAQs

1. How do I print this report?
   Click on the Download PDF link in the upper right corner.

2. When I click on some grids, I don’t see any changes. Why?
   Grids marked with orange headings do not allow for filtering due to the nature of the data in that grid.

3. Why are there more grids for applicants than for applications?
   Ethnicity, Sex and LSAT Score are specific to each applicant. Counting them for applications would cause them to be counted multiple times.

4. Why do I see an asterisk instead of data in some places?
   Any state that has less than three law schools will not have data displayed on the Applications tabs. On the Applicant tabs, an asterisk will be shown when there are fewer than 5 applicants.

5. Can I view more specific data on this report?
   To drill down to data for a specific state or province, hover your mouse pointer or click the state or province on the map. Click on any row in the LSAT data grid or any bar in one of the demographic charts to drill down in the data on all of the charts on the page. You can use the Control key to click on multiple options within a chart and use the small arrows above each table to drill down within a chart.

6. Can I navigate this report without using a mouse?
   There are keyboard shortcuts available:

   **Across the product**
   - Ctrl+F6: Move focus between sections
   - Enter: Select item in focus
   - Esc: Close out of current section
